

RC 950

Work Chair

- AUTOMATIC HEIGHT ADJUSTMENT
- SLOPING SEAT FRONT
- ADJUSTABLE BACK REST
- DOUBLE WHEELS

GENERAL

An all-round work chair in high-quality materials. Ergonomically correct with a sitting comfort that, together with full seat mobility, makes this chair absolutely the best on the European market.

SPECIFICATIONS

The RC 950 Work Chair is provided with a hydraulic height adjustment with spring suspension. The seat is 10 mm form-pressed veneer with Miralastic upholstery in bright orange. 4-legged highly-polished aluminium frame. 50 mm easy-to-roll protected wheels for minimum carpet wear. The back rest can be adjusted in steps up to 45 degrees.

DIMENSIONS

Seat height:	Between 45 and 58 cm (17.1" and 22.8")
Seat:	45 cm x 43 cm (17.1" x 16.0")
Leg radius:	28 cm (11.0")
Weight:	8.5 kg (18.7 lbs)
